

FUELWOOD

The Experts in Professional Kindling & Firewood Production Machinery

Fuelwood Product Range Overview

Fuelwood (Warwick) Ltd design, manufacture, distribute and service professional machinery for the high volume production of kindling wood and firewood for both small and large commercial applications. Using Fuelwood's own industry leading innovative designs, we supply an international base of dealers and end user customers in the forestry, arboriculture, woodland and other tree management markets. In addition to our own manufactured Fuelwood branded range, we are also the sole UK importers of complementary forestry machinery from some of the world's leading manufacturers.

Products UK designed & manufactured by Fuelwood

Transaw 350 XL
Semi-automatic
Firewood Processor

Kindlet 200 & Kindlet Pro
Fully Automatic Kindling Wood Machines

**Fuelwood Factory
inc. Woodcutta 400**
Fully Automatic
Firewood Machine

Elevator
4.5 Metre Conveyor
Designed Specifically
for Firewood

Splitta 360 & Splitta 400
Fully Automatic Logs and Kindling Machine
ideal for Bagging

Log Cleana
Log Cleaning Device,
freestanding to suit most
firewood machines

Fuelwood Bagging Systems
Manual Bagga, Rotabagga, Tilt Tray Bagga & X-Frame Bagga

Fuelwood Product Range Overview

Imported & distributed machines

Japa – Firewood Processors

Internationally recognised for excellence in the design and manufacture of firewood processors. Models: 305, 305 Off Road, 700, 355, 385, Skidding Grapple, Log Rack, Timber Processing Decks, Log Cleaner, Log Lifter, Sawdust Extractor

Firewood Processors

Heizohack – Woodchip Chippers

World leader in wood chipping machinery and environmentally friendly wood burning and biomass energy systems. Models: HM4/6-300, HM5/6/8-400, HM6-300VM, HM8-500K, HM10-500K, HM10-500KT, HM14-800K, HM14-800KL and HM14-800KT

Renowned heavy duty Wood Fuel Chippers

Lucas Mill – Timber Milling Machines

Targeting small and medium forestry operators globally with versatile and cost effective portable sawmills. Models: Lucas Mill 4-6, Lucas Mill 618, Lucas Mill 830, Lucas Mill 1030

Portable Sawmills

AMR – Heavy Duty Log Splitters & Saws

Focusing on heavy duty professional log splitters and automatic saws to meet the most demanding of applications. Models: Various Log Splitters, Tilting Sawbench, Roller Table Sawbench, Tilting Table Sawbench, Circular Saws, Mechanical Winches

Professional Log Splitters, Circular Saws & Winches

Mowi – Cranes & Trailers

World's leading design of crane specifically for forestry conditions. Unrivalled speed, flexibility, quality and ease of operation. Models: 1050, 1050 WD, 1250, 1250 WD, 650, 850, P30 Crane

Timber trailers & Cranes
