I'm writing to say thank you so much for the recent gift of £159.07 to the British Heart Foundation.

With people like you at our side, we are taking huge steps towards healthier hearts, and keeping people with their loved ones for longer. It's a simple fact that without your generosity we just could not sustain our life-saving work.

I'm proud to say that the money you give helps us to support pioneering research and deliver life-saving care to the people who need it most. Your kindness gives us hope for a future without heart disease – and the confidence that we can be there for those whose lives are affected by it now.

To show you how touched we are by your gift, I've included a special message of thanks from someone who has benefited directly from the work that you help make possible. Please keep it somewhere safe as a reminder of what you have done.

And remember, we're here for you too. So if you have any questions about heart health, or if you need support and advice, just call us on 0300 330 3311. Our lines are open from 9am to 5pm, Monday to Friday.

Thank you once again for supporting us in the fight for every heartbeat.

Yours sincerely,

Amanda Pullen
